Item 5. League fixture and format.

Alan handed out provisional league format sheet with two options and as he had mentioned at AGM he felt that the best date to start was the 25th September as he wasn't available to organise start date any earlier. Mark Calder asked how many teams were entering Alan mentioned that so far we were looking at 10 teams entering which were read out these were the same teams as last season with one team moving clubs and the Nads S&S club entering a new team with the AAA NadS&S withdrawing from league.. He read through fixtures mentioning that we would have gain a week at Christmas and also in May so Season would finish at similar date to last season. He mentioned that the Blind pairs and the Fours Competitions would still be started at earlier time of 7.30pm and that he had moved singles game to accommodate County games.

Moving on Alan said that the scorecards this season would be issued with no address as he is moving home so asked all to bin old card's, he suggested that if everyone could take a photo of card on phone and email it to him this would be good. The cards still have spaces for signing on players so there was no need to call him up just make sure players full names were written on scorecard and sent across to him this was good enough. Alan reminded all present that when playing in the Club league players are not allowed to play for two club's at the same time when asked why Alan said that it had stopped game from running smoothly due to waiting for player to turn up for game.

Alan said that teams would get notification to let them know when season's info was delivered to the club's all present happy.

Item 6. Any other Business. Mark Calder asked about the outstanding debts associated with the AAA NadS&S team what are we doing about fines, Alan mentioned that the current rules state they have to be paid and that if not paid any individual who played for the team would have to pay £2 to enter the league in a new team Mark acknowledged decision. All teams were reminded that each team would be issued with 2 Football cards to complete during season.

Item 8 Next Committee meeting. Alan said he would list info on fixture list of suggested meeting dates which may or may not be used it depended on what was happening during season. With no other business the meeting closed at 8.35pm.
