Alan handed out provisional league format mentioning that we had the same number of teams entering as last season (11) with no entries from the proposed team(s) from Southbourne Ex and NAD&S Nutcrackers being a new team, replacing NADS&S Warriors.

The start date would be 9th September and the season format similar to last season but taking on board comments raised about grouping Competitions together and playing on Bank Holidays (bar Good Friday). Alan added that the pre-AGM meeting would now be held on the same night as the Captains & Vice-Captains KO.

The Blind Pairs would now start at 8:00 rather than 7:30 as would were going to use all three boards at Mudeford as they had been put up for a reason and we should at least try and benefit from the new board.

Alan also showed an example of the new Result Card and that no cards would be issued to teams this season, rather teams should download them from the website as the league moves into the 21st Century.

Finally Alan mentioned that fixture list would also be listed on the website in next couple of days and that an email would be sent out when it could be downloaded.
